Deluxe Outdoor - \$35

This session is shot at various outdoor locations of your choice on our beautiful grounds which includes a barn, gazebo, bridge, rock archway, architectural columns, swimming pool, stone bench, etc. Our favorite props weigh over a thousand pounds! They are Bonito and Bogey, our Quarter horses who are usually glad to pose with you as long as there is a carrot involved!

Indoor/Outdoor - \$45

Our top of the line session includes indoor poses and outdoor location poses with up to six outfits of your choice. Feel free to bring any props you like!

The session is the most important element of the senior portrait since this is where your images are actually created. Select one or more sessions to best express your unique personality. Proofs are projected on our large screen in our viewing room, usually a couple of days after your session.
